Our Solution

An application for teamsters and customs. On the one hand teamsters can be guided and declare their files (identity and merchandises declaration). On the other hand, customs can check the teamster probity/integrity.

OBJECTIVE

Saving time and performance when crossing FR/UK borders

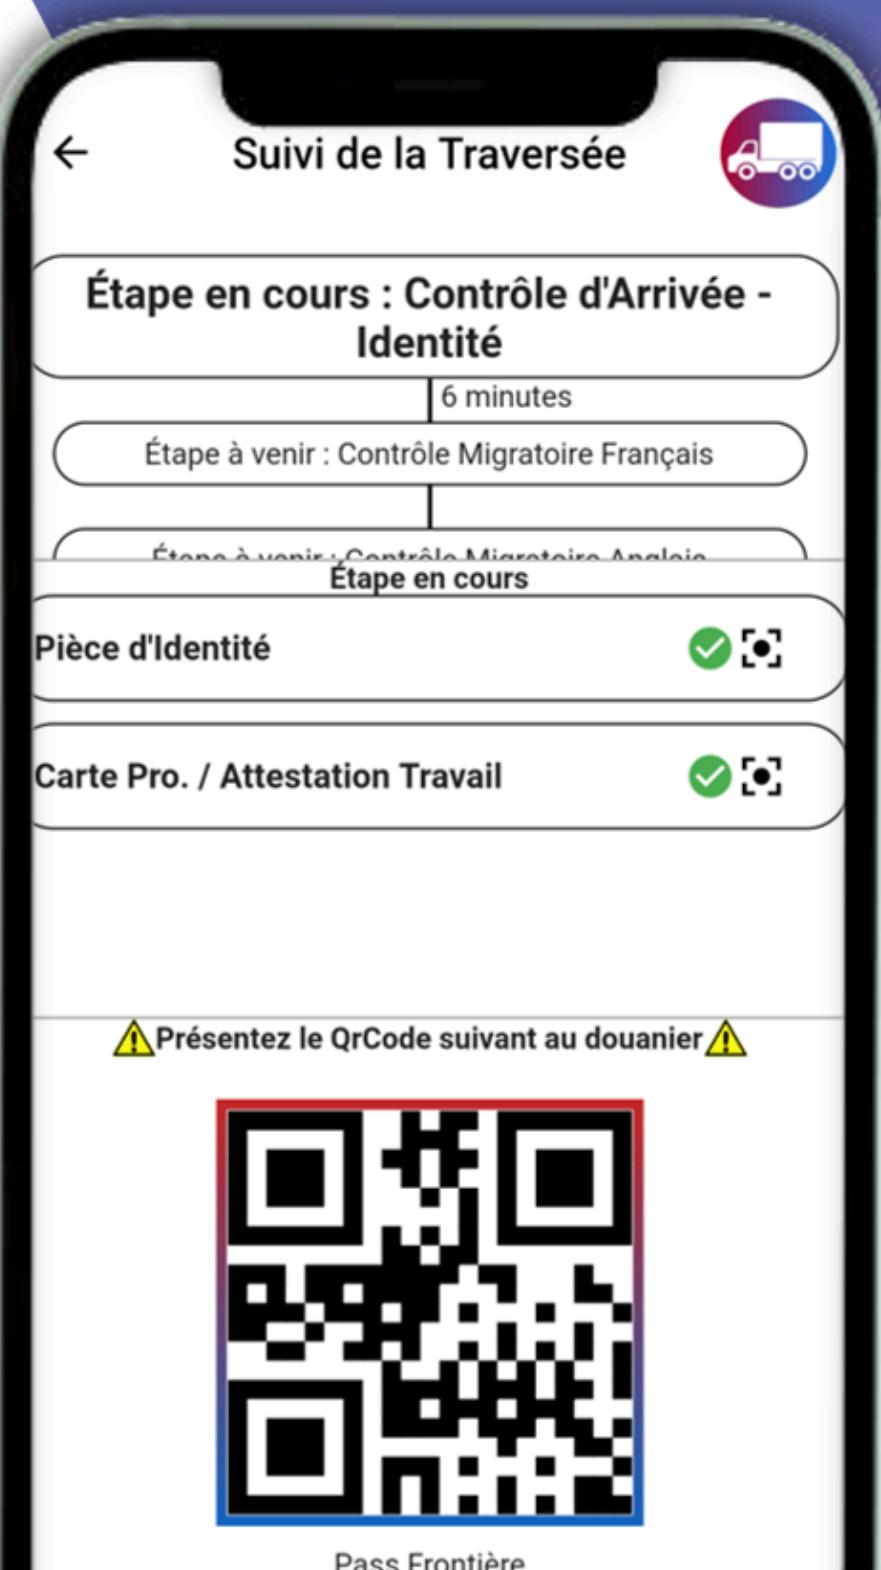

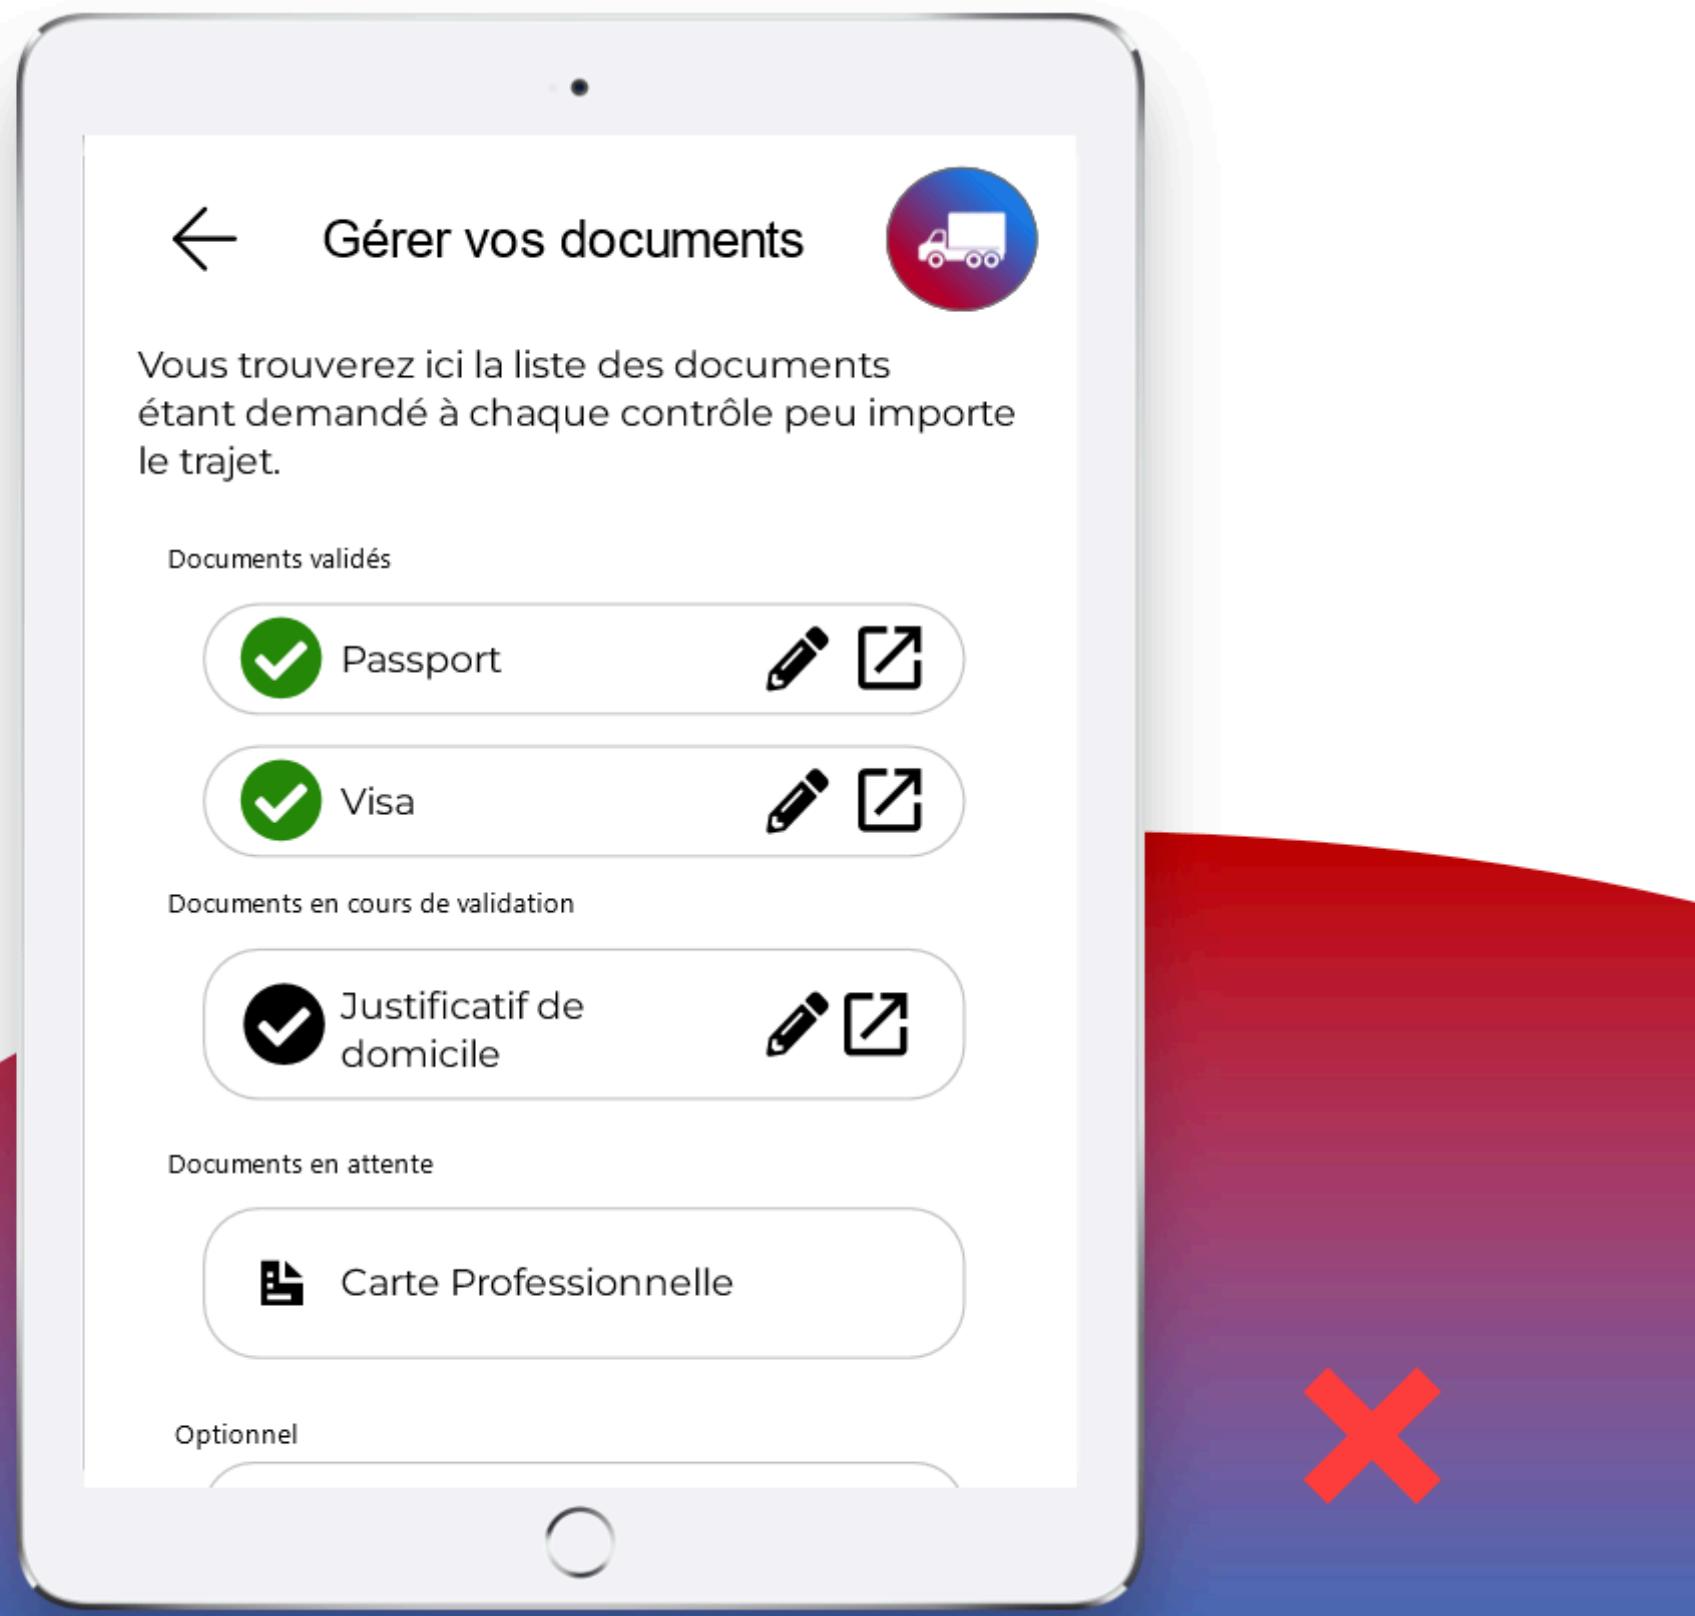

Mobile App

Crossing the UK/FR border truckers

Objectives: Simplify the traffic, guide the driver with his papers but also during checks, guide the customs officer in his checks.

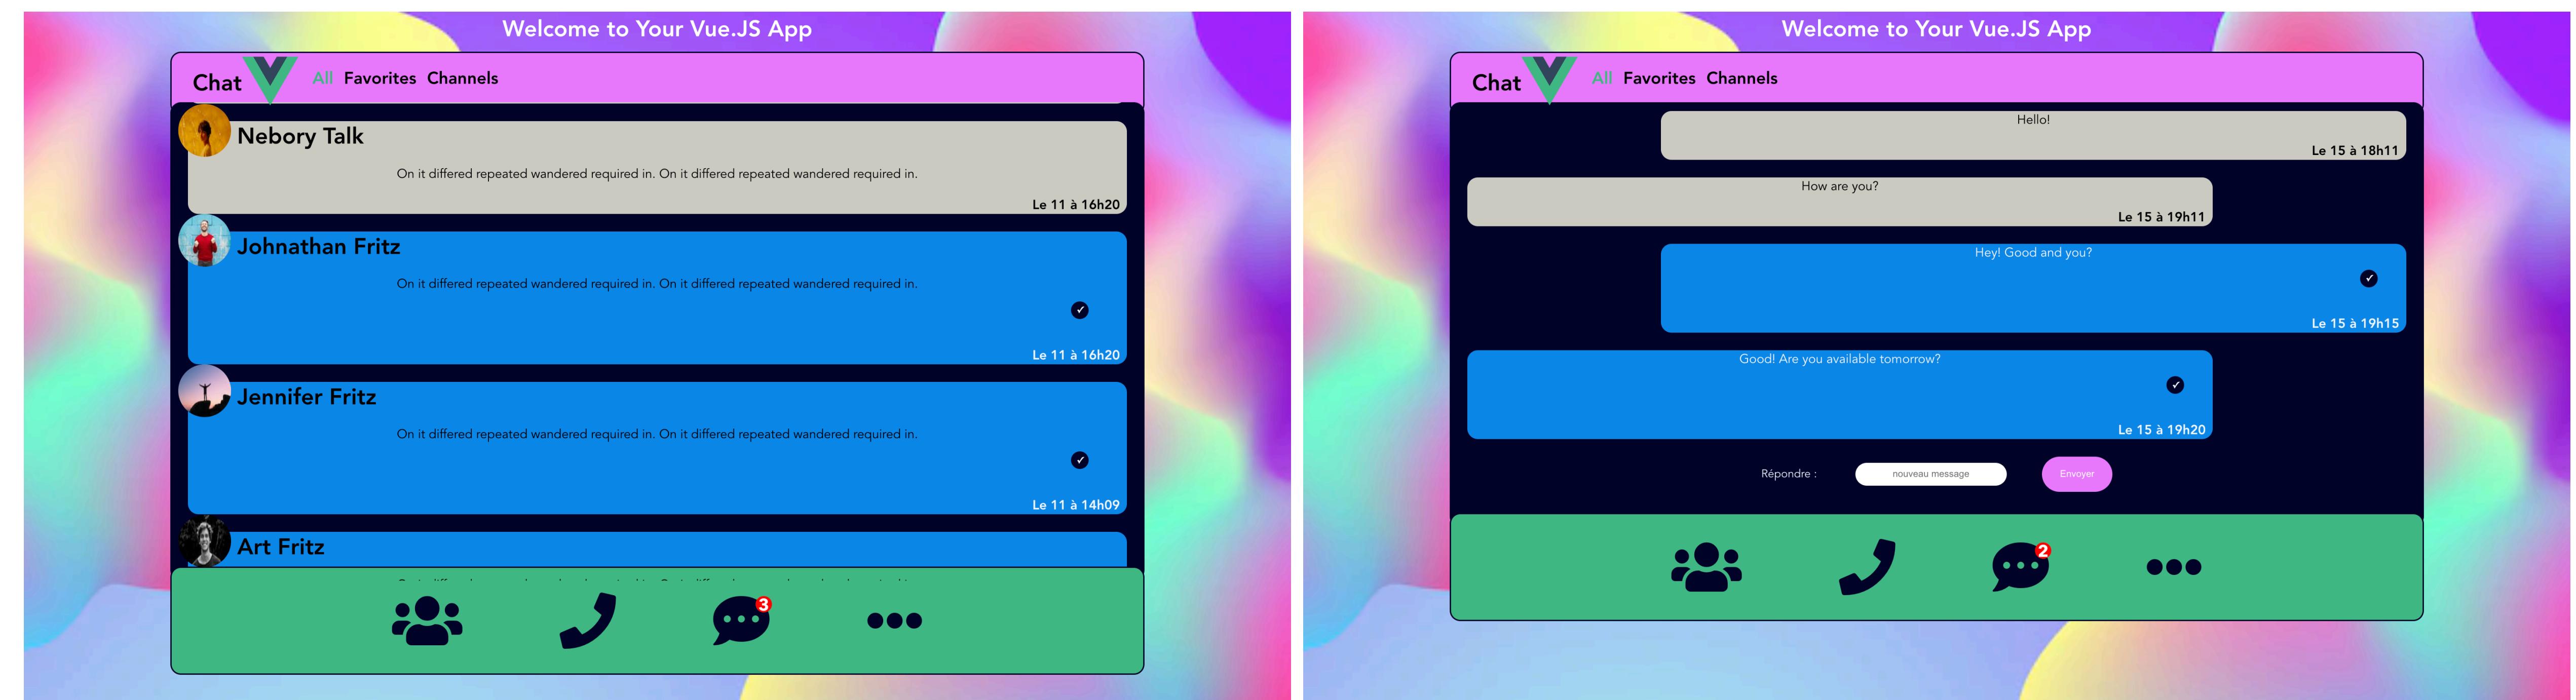

Stakeholders:
Teamsters
Customs officers
